M: Hey, did you manage to book my flight to Osaka for next week's conference? W: I did, but there was a small problem. The direct flight on Tuesday morning was already full, so I had to book you on the one that leaves Tuesday evening instead. M: Oh no, that means I'll miss the welcome dinner. Is there anything earlier on a different airline? W: I checked, but everything before noon was sold out too. I did manage to get you a seat in business class, though, so at least the flight itself will be more comfortable. M: Well, that's something. Could you email me the new itinerary so I can let the organizers know I'll be arriving later? W: Sure, I'll send it over right after lunch.

問題 5 : What is the man's problem?

B. He couldn't get the flight he wanted.

スクリプト

W: Have you had a chance to look at the invoice from Bright Line Consulting? Something about the total doesn't look right to me. M: Let me pull it up. You're right, they billed us for twelve hours of consulting, but according to my notes, we only used their services for eight hours last month. W: That's what I thought too. Should we just pay the amount we agreed on and sort out the difference later, or hold off until it's corrected? M: I think it's safer to contact them first. Part 4 : 説明文問題

スクリプト

Good morning, everyone. This is a quick announcement regarding today's ten o'clock budget review meeting. Due to a scheduling conflict, we won't be able to use Conference Room B as originally planned. The meeting will now take place in Conference Room D, on the fourth floor, right next to the elevators. Please remember to bring a printed copy of the quarterly figures, since the projector in that room is currently being repaired. If you have any questions, feel free to contact Ms. Tanaka in the facilities office before nine thirty.

問題 9 : Why has the meeting location been changed?

B. There was a scheduling conflict.

Due to a scheduling conflict と明言されている。プロジェクター故障はConference Room Dについての別情報で、変更理由ではない。

問題 10 : What are listeners asked to bring to the meeting?

C. A printed copy of the quarterly figures.

bring a printed copy of the quarterly figures と明確に指示されている。プロジェクターが故障しているための対応。

Part 5：短文穴埋め

問題 11：All new employees are required to ____ the safety training within their first week.

A. complete

to の後は動詞の原形。complete が正しい。completionは名詞、completed/completingはto の後には続かない。

問題 12：The marketing team's proposal was ____ well received by senior management.

B. extremely

well(副詞)を修飾するのも副詞。extremely が正しい。extreme は形容詞、extremity/extremenessは名詞。

問題 13：Please make sure a copy of the invoice is attached ____ the confirmation email before it is sent.

A. to

attach A to B(AをBに添付する)が定型。前置詞はto。for/at/ofはこの動詞と結びつかない。

問題 14：The new policy applies to employees ____ of their department.

A. regardless

regardless of で「～に関係なく」という定型表現。despiteはofを伴わず、althoughは接続詞でこの位置には入らない。

問題 15：____ the delay in shipping, the client remained satisfied with the product quality.

A. Despite

後ろが名詞句(the delay)なので前置詞Despiteが正しい。Although/Because/Unlessは接続詞でSVを伴う節が必要。

問題 16：The report ____ by the audit team next Monday.

B. will be reviewed

The reportは「レビューされる」対象なので受動態。will be reviewedが正しい。

問題 17：Ms. Chen has worked in the accounting department ____ she joined the company in 2015.

A. since

she joined(過去の一時点)を導くのはsince。forは期間の長さ(for eight yearsなど)に用いる。

問題 18：We need someone ____ can handle both the Tokyo and Osaka accounts.

A. who

someone(人)を先行詞とし、後ろに動詞can handle(主語が欠落)が続くため、主格の関係代名詞whoが正しい。

Part 6：長文穴埋め

(文書は問題編のパッセージを参照してください)

空所 (1)：問題 19

A. use

will の後は動詞の原形。use が正しい。

空所 (2)：問題 20

A. exceeding

Receiptsを後置修飾する現在分詞。「五千円を超える」は能動的な意味を持つexceedingが正しい。

空所 (3)：問題 21

A. A short training session will be held this Thursday for anyone who would like a walkthrough of the new system.

直前直後の文脈(新システムへの移行支援)に自然に続くのは、トレーニング開催を知らせる文。他の3つは収益・駐車場・海外拠点の話で本文の流れと無関係。

空所 (4)：問題 22

A. be

「返送される」という受動の意味はwill be + 過去分詞。beが正しい。have/having/beenではこの文法的な形が成立しない。

Part 7：読解

(文書は問題編のパッセージを参照してください)

問題 23：Why was Mr. Mori's hotel changed?

A. His original hotel was fully booked.

your original hotel was fully booked for the final night と明記されている。

問題 24：The word 'accommodate' in the email is closest in meaning to

B. to adjust for

ここでのaccommodateは「(状況に)合わせる・対応する」という意味。宿泊を提供する意味は、checkout timeの変更理由という文脈に合わない。

問題 25：What can be inferred about Mr. Mori's return flight?

B. It was the reason his checkout time changed.

本文で checkout time was changed to accommodate the later flight we found for your return と述べられ、Itinerary表では帰国便がMarch13の18:30発、チェックアウトも同じMarch13の11:00になっている。当初は翌朝発の便を想定して1泊多く予約されていたと考えられるが、同日夕方発の便に変更されたことで前泊が不要になり、チェックアウト日がMarch13に変わったと分かる。本文とItinerary表を組み合わせる読む必要がある問題。

問題 26：According to the itinerary, how many days does the trade show run?

B. Two days.

Trade Show: March 11-12 とあり、2日間(11日と12日)の開催。
